

ACCOUNTING

Associate in Science

Great Bay's Accounting degree provides a foundation in economics, law, management, finance, and information technologies. The program focuses on providing students with the accounting skills needed to meet current job requirements as well as the necessary analytical skills needed to be successful in business through hands-on learning and real-world experience.

Graduates are prepared for employment in entry-level accounting/bookkeeping positions or can transfer to a four-year institution in pursuit of a Bachelor's Degree. The Accounting program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

There are a variety of exciting, challenging and rewarding career opportunities for those with an Accounting degree.
